PRESCRIPTION DRUG PROGRAM CHANGES

Participants Enrolled In Anthem Blue Cross

Effective date of Change: January 1, 2022

Effective January 1, 2022, your prescription drug benefit will be provided through the medical provider you are enrolled with. Now you will need only ONE card!

Rx

What you need to know:

- Your co-payments will not change.
- Your new Anthem Blue Cross ID card will arrive mid-December 2021. **PLEASE DO NOT THROW THE ENVELOPE AWAY!** The card will look very similar to what you have now with the addition of prescription drug provider and BIN number on the front of the card and additional contact information on the back of the card.
- Continue using your Citizens Rx card until December 31, 2021 and start using your new Anthem Blue Cross ID Card with prescription benefits effective January 1, 2022.
- Once you receive your Anthem Blue Cross ID card and **after January 1, 2022**, please destroy your Citizens Rx card.
- Remember to advise your pharmacy you have a new prescription plan through Anthem and show them your new card.

IT'S THAT EASY!

Important Information

- You may access the new medical and prescription drug Summary of Benefits (SBC) and the Evidence of Coverage (EOC) documents on the Trust Funds' website at www.scibew-neca.org.
- You may contact Anthem Blue Cross Pharmacy Member Services at 1-833-261-2460 for questions regarding your prescription drug program.
