Notice to Travelers Regarding Defined Benefit Plan Contributions

April 2017

This notice is for your information only. You are not required to take any action.

Pursuant to the International Money-Follows-the-Person Reciprocity Agreement, reciprocal contributions received by the Southern California IBEW-NECA Administrative Trust Funds Office are credited as follows: Defined Benefit Plan monies will be credited to Defined Benefit Plans and Defined Contribution monies will be credited to Defined Contribution accounts as set forth in the International Reciprocal Agreement. All contributions received for hours worked on or after October 28, 2009 and reciprocated pursuant to the Money-Follows-the-Person Reciprocity Agreement will be subject to the Default Schedule for determination of retirement benefits (please see the Summary of 2016 Rehabilitation Plan Schedules, as amended, which appears on the reverse of this notice). Individuals who work inside the jurisdiction of this Plan and have employer contributions transferred to another Plan pursuant to the Money-Follows-the-Person Reciprocity Agreement shall see all increased/decoupled (non-benefit accrual) contributions remain in this Plan. Only standard contributions (contributions not solely for the benefit of this Plan) will be transferred. You may wish to contact the Administrative Trust Funds Office to inquire how this may affect your retirement benefits under the Southern California IBEW-NECA Pension Plan.

A Traveler is an IBEW Local Union member who is working outside his/her Home Local and has registered for a transfer of contributions under the International IBEW-NECA

The Southern California IBEW-NECA Pension Plan's co-actuaries have determined that the Plan is projected to be in Critical Status beginning July 1, 2018 because, over the subsequent three years from this Plan Year ending June 30, 2019, the Plan is projected to have an accumulated funding deficiency before the Plan Year ending June 30, 2022. Federal Law requires pension plans in critical status to adopt a rehabilitation plan aimed at restoring the financial health of the plan. On September 28, 2016 the Board of Trustees elected for the Plan to be in Critical Status effective July 1, 2016 and authorized the adoption of a Rehabilitation Plan, which contains two categories of Schedules: A Default Schedule and Alternative Schedules with Versions 1(a) – 1(t) proposing different levels/timing of non-benefit Employer Contribution increases which include benefit changes. Upon implementation of the Default Schedule or Adoption of one of the Alternative Schedules, for those benefits that are not in pay status prior to April 1, 2017, certain adjustable benefits are reduced and the Early Retirement Pension benefit is reduced to an Actuarial Equivalent of the Normal Retirement Age benefit. On October 27, 2016, the Board of Trustees of the Plan agreed to amend the 9/28/2016 Rehab Plan by adding an additional Version 1(u). A copy of the September 28, 2016 Rehabilitation Plan and the October 27, 2016 Amendment were mailed out to all Plan participants. If you did not receive the original Memorandum regarding "Benefit Changes under the Critical Status Rehabilitation Plan" or the "First Amendment to the September 28, 2016 Rehabilitation Plan" and would like to receive additional copies of these documents, please contact the Administrative Trust Funds Office at the nationwide, toll-free number (800) 824-6935 or at the primary business number (323) 221-5861.

The Alternative Schedules 1(a) through 1(u) call for employers to contribute an additional "off-benefit" contribution amount, meaning that it is devoted solely to improving the funding condition of the Plan. Please see the Alternative Schedules adopted by IBEW Union Locals 11, 440, 441, and 477 that appear on the reverse side. *Whether the Default Schedule is adopted or imposed by the Board of Trustees, as required by law, there is no additional off-benefit contribution.*

The off-benefit employer contributions will not be used for benefit accruals for Participants in this Plan, nor will they be transferred to a Traveler's Home DB Plan. The hourly contributions made to the Southern California IBEW-NECA Pension Plan that do result in a benefit accrual are transferred to the Traveler's Home Pension Plan presuming the Traveler has properly registered for a transfer of contributions under the International IBEW-NECA Reciprocity Program.

It is important to note that all contributions to the Southern California IBEW-NECA Defined Contribution Plan result in benefit accruals for Participants and hourly contributions to the Southern California IBEW-NECA Defined Contribution Plan for hours worked by a Traveler are transferred to a Traveler's Home Defined Contribution Plan presuming the Traveler has timely and properly registered for a transfer of contributions under the International Reciprocity Program.
